BRIGATE ROSSA

On the night of March 23, 1973, an armed cell of the Red Brigades planted an explosive device on a train departing from Roma Termini. This is the people's reaction to the fiendish plots of the political class. The Italian Communist Party has declared itself willing to deal with Christian Democracy, the chief architect of imperialist counter-revolution in our country. The machine of power must be stopped at all costs.

We demand that the representatives of the Italian Communist Party answer before the people. If you do not publicly and categorically disavow the historic compromise with the most ruthless enemies of the proletariat, the blood of many will be on your hands.

BRING THE OFFENSIVE TO THE IMPERIALIST STATE OF MULTINATIONAL CORPORATIONS.

DISARTICULATE THE STRUCTURES AND PROJECTS OF THE IMPERIALIST BOURGEOISIE, BY ATTACKING THE POLITICAL-ECONOMICAL-MILITARY PERSONNEL THAT CARRIES OUT ITS WILL.

UNIFY THE REVOLUTIONARY MOVEMENT BY BUILDING THE FIGHTING COMMUNIST PARTY.
